Disability Welfare Day - Dec 3rd

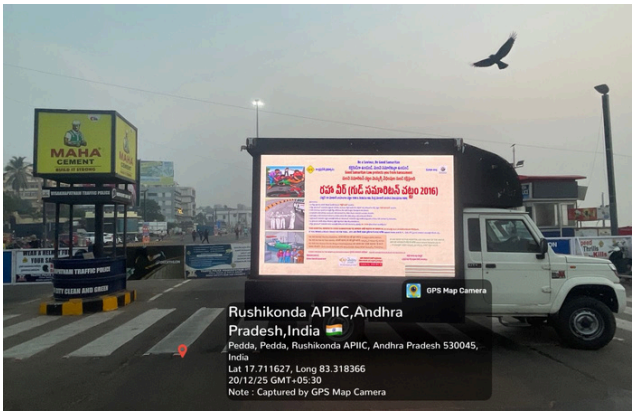

The Ability People celebrated Disability Welfare Day by inviting the Assistant Disability Welfare Officer, Visakhapatnam, and conducting engaging games and activities for children and mothers, followed by prize distribution. An awareness session on social security schemes and application processes, along with cultural programs such as dance, singing, and fancy dress competitions, made the event joyful and meaningful.

The celebration created a joyful and inclusive environment, encouraging active participation from children, parents, and caregivers. The event not only brought happiness and confidence among the participants but also strengthened awareness about government support systems and the importance of community inclusion for persons with disabilities.

In this newsletter you can expect:

- Monthly Impact Highlights from The Ability People team
- Road Safety Meeting
- Guest Visits
- Training Programs
- Awareness Programs
- Clinical Assessments

Traffic Awareness Program – Good Samaritan Law

As part of the traffic awareness initiative led by the Transport Department, The Ability People actively collaborated in promoting awareness on the Good Samaritan Law. A digital awareness vehicle displaying informative videos was stationed at crowded locations such as RK Beach, Rushikonda, and Jalarala Peta to reach the public effectively.

District Road Safety Committee Meeting

As per the directions of the District Collector, a District Road Safety Committee meeting was held at the Collectorate Conference Hall to address measures for reducing road accidents. Our Director, Mr. Dilip Patro, attended the meeting, representing The Ability People and contributing to the discussion on road safety initiatives.

Strengthening District Partnerships in Paderu with District Collector

The Ability People team visited Paderu and met the District Collector to discuss the implementation of a proposed pilot project in the district, during which the Collector reviewed the plan and provided key suggestions. As part of the visit, wheelchairs were also distributed to beneficiaries in the presence of the District Collector.

Assessment Camp at Anakapalli

A Free Physiotherapy Camp was conducted at Anakapalli District Hospital in the presence of the Anakapalli MLA, Mr. Konathala Ramakrishna. As part of the program, The Ability People team actively participated and conducted an assessment program for assistive devices, identifying beneficiaries' needs and providing guidance for appropriate device support.

ASSISTIVE DEVICE ASSESSMENT & DISTRIBUTION CAMP AT JANGAREDDIGUDEM

An assistive device assessment and distribution camp was organised at Jangareddigudem by TDP leader Mr. Dakarapu Krishna, with the support of Coastal Bank. The Ability People team conducted detailed assessments and prepared prosthetic legs, prosthetic hands, wheelchairs, and tricycles for identified beneficiaries, followed by successful device delivery to support their mobility and independence.

Rotary Club Governor Visit & Foot Care Unit Inauguration

The Rotary Club Governor and members visited The Ability People organisation as part of their long-standing collaboration in awareness programs, assistive device support, and community initiatives. During the visit, the Foot Care Unit was inaugurated, a demonstration of Neo Motion wheelchairs was conducted, and wheelchairs were distributed to beneficiaries.

Assessment Camp at Makkuva

Makkuva, a tribal region, has a significant number of beneficiaries identified by Holy Cross as requiring assistive and mobility devices. In response, The Ability People team conducted a structured assessment camp to evaluate individual needs and facilitate appropriate planning for assistive device and mobility support.

APD EARLY INTERVENTION TRAINING PROGRAM

APD conducted a four-day training program on Early Intervention in Bengaluru, in which team members from The Ability People and four MLHP volunteers, nominated as per the District Collector's suggestion, participated. This training will support the upcoming pilot Early Intervention project in the Paderu region, strengthening service quality and community-level implementation.
