TO WHOMSOEVER IT MAY CONCERN

I would like to congratulate 'The Ability People' and its founder Dilip Patro for the relentless effort to save and rehabilitate precious lives of accident victims.

I place on record my deep appreciation of their ongoing project "Creating Awareness on Road Safety & Right To Emergency Care all over India (Kashmir to Kanyakumari)" and their upcoming "Ability Rehabilitation Center"

Road accidents are the biggest cause of brain injury and spinal cord injury. This project is designed to create awareness about the need for timely and quality rehabilitation, which would help restore lives and livelihood.

Wishing them all the very best in their endeavours.
