Wheelchair screening camp in city

DC CORRESPONDENT

VISAKHAPATNAM

Sept. 13: A free wheelchair screening camp will be held here on Thursday by Caring Hands Foundation, Bengaluru and the Forum for Better Visakha, with technical support from Motivation India for all people with cross disability.

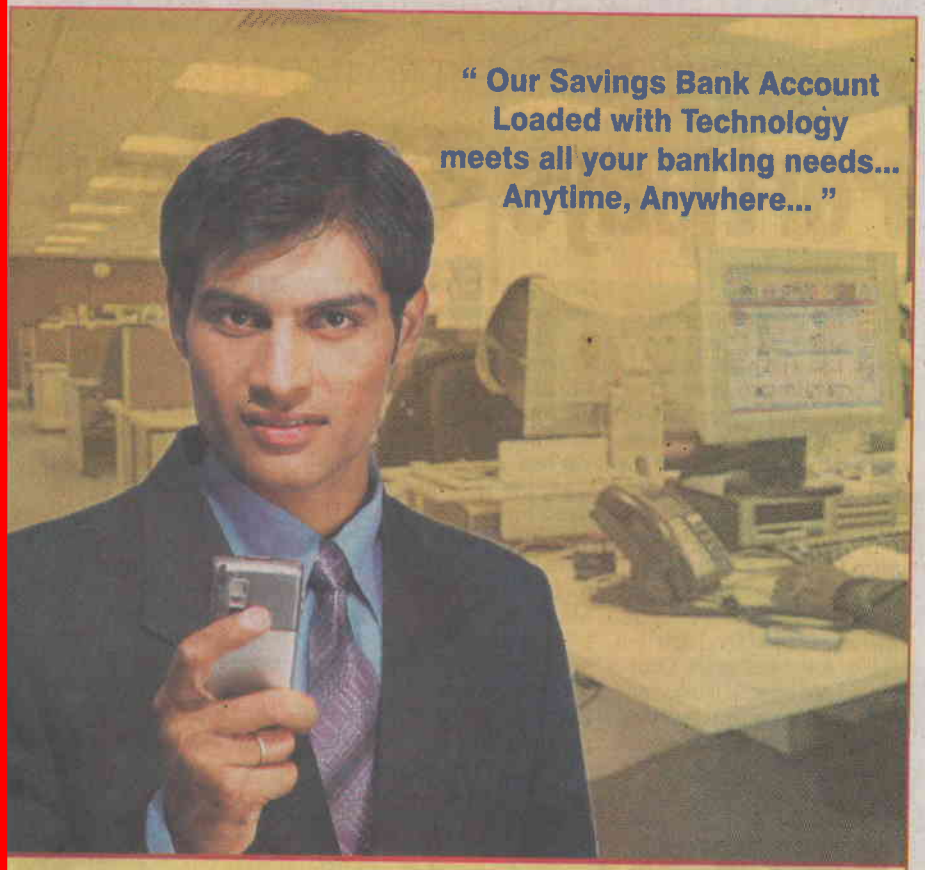

The objective of the drive is to ensure that victims of spine injuries and various other injuries, 70 per cent of who are either daily wage workers or contract labourers, who belong to economically weaker and backward sections of society benefit.

People who are eligible for the camp are those with spinal cord injury, PPRP affected (polio affected), amputees with artificial limbs, old people finding it difficult to walk, people with muscular dystrophy, those suffering from motor neuron disease, head injury, spina bifida and cerebral palsy.

Only 60 people are eligible and will be selected for this camp while the others not selected during the present one would be eligible for the next camp.

For free registration, interested candidates can contact helpline 9248696206.

People with spinal cord injury, PPRP affected (polio affected), amputees with artificial limbs and old people finding it difficult to walk are eligible.
