Assessment Camp with Hon'ble Mayor's Visit

On 5th January, The Ability People conducted a comprehensive Assessment Camp at our rehabilitation centre to identify the therapy and assistive device needs of persons with disabilities.

We were honoured by the presence of Peela Srinivasa Rao, Mayor of Visakhapatnam, who attended the camp and interacted warmly with the beneficiaries and their families. During his visit, he appreciated the services provided by TAP and encouraged the team in continuing their mission of inclusive rehabilitation.

His interaction with the beneficiaries added motivation and strengthened community confidence in our services.

In this newsletter you can expect:

- Monthly Impact Highlights from The Ability People team
- Donor Visits
- Guest Visits
- Training Programs
- Awareness Programs
- Clinical Assessments

Engagement with Rotary Leadership

During the month, the Organisation President, Vice President, and members of the Rotary Club attended a programme meeting at TAP.
The meeting focused on understanding TAP's rehabilitation initiatives, outreach in tribal areas, assistive device services, and community-based programmes.
The interaction provided an opportunity to discuss collaboration possibilities and strengthen partnerships for disability inclusion initiatives.

Director's Visit to Deputy Commissioner (Revenue)

Our Director visited the Deputy Commissioner (Revenue) to present an overview of The Ability People and its rehabilitation services. During the meeting, he explained the organisation's initiatives in centre-based rehabilitation, community outreach, and assistive device support.
The Deputy Commissioner was also formally invited to attend the Assessment Camp and witness the services being provided to persons with disabilities.

Visit by The Nice Organisation – Paderu

Members of The Nice Organisation (Paderu) visited our rehabilitation centre to understand the services offered by The Ability People.
During the visit, the team provided a detailed overview of our rehabilitation programmes, assistive device support, and community-based initiatives. Discussions were held on potential collaboration opportunities to extend rehabilitation services in the Paderu region and strengthen disability support in tribal communities.

Director's Meeting with Ghanta Srinivasa Rao

Our Director met with Ghanta Srinivasa Rao to discuss the establishment of the new rehabilitation centre, Asha Kendram. During the meeting, the Director shared the vision of expanding quality rehabilitation services across Visakhapatnam and highlighted the need for strengthened infrastructure and community access. The discussion focused on extending structured, accessible, and professional rehabilitation support to a larger number of persons with disabilities in the region.

IOCL TEAM VISIT - NEW YEAR CELEBRATION

The IOCL team visited our rehabilitation centre and interacted with all the beneficiaries. They celebrated the New Year at the centre by cutting a cake and distributing gifts to all the beneficiaries, bringing joy and encouragement to the children and families present.
During the visit, the team appreciated the rehabilitation services provided by The Ability People and expressed their willingness to support the organisation in extending its services to reach more persons with disabilities.

Inspiring support for persons with disabilities 💙

Hon'ble Visakhapatnam Mayor Sri Peela Srinivasa Rao appreciated the dedicated services of The Ability People Organization in empowering persons with disabilities through artificial limbs, assistive devices, counselling, and training.

With the support of the Rotary Club and Punjab National Bank, artificial limbs and mobility aids were distributed to beneficiaries at the Ability Rehabilitation Centre. The Mayor lauded Founder Mr. Dilip Patro for his tireless efforts and assured continued support from GVMC to strengthen such impactful initiatives that promote confidence, dignity, and self-reliance.
