Study tour to India

A 10-member students' team from the Mercersburg Academy of Pennsylvania is in Vizag as part of a study tour to understand the richness of Indian art and culture.- Page 5

At risk

There are close to 150 dialysis technicians in Hyderabad but none of them is scientifically trained or certified to man the dialysis units in various facilities.-Page 8

Meet on rehabilitation medicine

Special Correspondent

VISAKHAPATNAM: The Ability People (TAP) in Visakhapatnam will conduct the third annual spinal injury awareness meet on physical and rehabilitation medicine on March 5 and 6 from 9 a.m. to 5 p.m. at Seetharama Kalyanamandapam, NH5, Narasimhanagar in the city.

The meet will focus on the development of appropriate services for people with spinal injury in India where services are limited. The ultimate aim of rehabilitation is to ensure the successful reintegration of the spinally injured individual to the community. Accordingly, the main areas of focus will be the development of comprehensive rehabilitation services, reintegration of the spinal injured individual in the community and wheelchair assessment for every participant.

International guests from USA, 25year-old c5/c6 quadriplegic Jon Sigworth, PMR Team along with Mr. Rajiv Virat, Peer Wheelchair Skills Instructor from Indian Spinal Injuries Centre, New Delhi will present and demonstrations regarding wheelchair skills and sports. Medical experts from KGH will cover main topics in physical and rehabilitation medicine.

An intensive range of topic has been lined up to enhance the practical value of the program. Some featuring workshops will be highlighted such as active rehabilitation, peer counselling, occupational and physio therapy, presentation on some adaptive devices that could benefit SCI person with the activities of daily living skills like eating toileting, brushing, operating a key board and similar activities. etc. Free registration can be done on 8500365736.

Kairali Club seeks daily trains to Kerala

Staff Reporter

VISAKHAPATNAM: The Kairali Arts Club has sought introduction of daily train services from Visakhapatnam to Thiruvananthapuram to meet the heavy rush of workmen from north-eastern states to Kerala and vice versa. Visakhapatnam is one of the biggest industrial cities in the country and though a number of trains were running to Visakhapatnam, seldom reservation was available on these trains, club president N. Dhanapalan and general secretary G.S. Karanavar noted in a memoran-
