**VISAKHAPATNAM:** A five-day Disability Sports Workshop is being organised by The Ability People, Visakhapatnam, in partnership with Choice International, a UK-based international development organisation, from December 12.

Addressing a media conference in connection with the International Day of Persons with Disabilities on Tuesday, Director of The Ability People Dilip Patro said that demonstrations, training and taster sessions for disabled people in Wheelchair Basketball, Wheelchair Table Tennis and Boccia (specially designed for those suffering

the workshop.

The workshop would be led by experienced disabled sportspersons from India and the UK. The objective was to enable disabled people to experience sports with a view to developing and establishing regular meets. The workshop was one of the several initiatives being undertaken by Choice International as part of its commitment to promote disability equality in India.

Mr. Dilip said that the aim of The Ability People was to highlight the abilities of persons with disabilities through demonstrations of wheelchair basketball, Boccia and wheelchair table tennis and
