Helpline launched

VISAKHAPATNAM: A toll-free helpline, 1800 425 8911, was launched to provide help and support to the persons with disabilities.

Said to be the first of its kind in India, the helpline would provide information on prevention and awareness of spinal cord injuries, rehabilitation to those who have suffered spinal cord injuries, employment opportunities for eligible PwDs, basic information about various disabilities and information on the laws meant for disabled, schemes and other benefits for them.

The Ability People (TAP), Rajiv Vidya Mission, and State Government's Department for Welfare of Disabled have jointly launched the helpline, director of ATP Dilip Patro said.
