Instead of wallowing in self-p
help people shed their fear to get involved , when an accident occurs.

He has found The Ability People, a non-profit organisation, for rehabilitation of people whose spinal cord got injured in accidents.

Now, he will drive the Verna throughout the length and breadth of the country to enlighten people in this regard.

B.W. Ryu, executive director, administration, HMIL, and Sethuraman, director, finance and corporate affairs, HMIF, said they were inspired by Patro, who has not let a major setback conquer his spirit.

They are confident that he will be able to bring about a change in the attitude of people and make them come forward and lend a helping hand to someone involved in a road accident.
