BREAKING BARRIERS: SPEECH THERAPY AWARENESS PROGRAM

The Ability People, with special educator Lakshmi, conducted an awareness program to promote disability inclusion. Lakshmi, leveraging her expertise in special education and possibly speech therapy, delivered a speech therapy-focused session to educate participants on supporting communication challenges. The program included:

- Awareness Talks: Highlighting the importance of speech therapy for individuals with disabilities.
- Interactive Activities: Demonstrating therapy techniques to foster empathy and understanding.
- Community Engagement: Encouraging inclusive practices in schools and workplaces.

7TH MAY

INSPIRING RESILIENCE: THE ABILITY PEOPLE'S MOTIVATIONAL SESSION

On May 7th, The Ability People hosted a powerful motivational session, showcasing the remarkable journeys of Nick Vujicic, Arunima Sinha, Stephen Hawking, and Balalatha Mallavarapu through an engaging PowerPoint presentation.

- Nick Vujicic: Born without limbs, he became a global motivational speaker, proving that attitude shapes ability.
- Arunima Sinha: India's first female amputee to conquer Mount Everest, turning tragedy into triumph.
- Stephen Hawking: A brilliant physicist who defied ALS to redefine cosmology, showing the mind's limitless potential.
- Balalatha Mallavarapu: An inspiring figure who overcame challenges to advocate for empowerment and inclusion.

21st to 23rd

A Cohort of Committed and Capable Changemakers

The Fundraising & Marketing Workshop held from 21st to 23rd May 2025 in Tirupati witnessed the enthusiastic participation of a diverse and talented group of over 40 leaders and fundraising professionals from the NS6 Andhra Pradesh cohort.
From grassroots NGO leaders to emerging fundraising support staff, the participants brought in rich experience, deep community insights, and an eagerness to learn and collaborate.

Their active involvement in every session—from concept note drafting to donor pitch roleplays—reflected their commitment to strengthening their organizations and driving sustainable impact.

The gathering was not just about learning, but also about networking, sharing, and mutual support, making it a memorable and empowering experience for all involved.

23rd MAY

Strengthening Clinical Excellence: TAP Hosts Planning Meet with Dr. V. Atchuta Ramaiah

The Fundraising & Marketing Workshop held from 21st to 23rd May 2025 in Tirupati witnessed the enthusiastic participation of a diverse and talented group of over 40 leaders and fundraising professionals from the NS6 Andhra Pradesh cohort.
From grassroots NGO leaders to emerging fundraising support staff, the participants brought in rich experience, deep community insights, and an eagerness to learn and collaborate.

- Strengthening clinical coordination
- Improving early diagnosis and intervention protocols
- Making rehabilitation more accessible and impactful

Dr. Ramaiah offered valuable insights into aligning orthopaedic services with therapy-based rehabilitation to create a holistic and client-centered care model.
The team collectively agreed on action points for upcoming camps and regular follow-ups.
This meeting marked a positive step in TAP's mission to provide quality, integrated services to people with disabilities.

24th MAY

TAP Team Meets MLA – A Step Toward Greater Inclusion

On a special evening in May, the founder and secretary of The Ability People (TAP), Mr. Dilip Patro, along with the P&O and Physiotherapy staff, had the honor of meeting with a respected local MLA to share the impactful work being done by the organization.
The team presented an overview of TAP's upcoming Summer Camp for Children with Disabilities, as well as insights into the Early Intervention Program—both vital efforts aimed at nurturing abilities from a young age. A short PPT presentation was shared to highlight the initiatives, outcomes, and the vision ahead.

Impressed by the dedication and clarity of purpose, the MLA responded positively and assured his visit to the NGO very soon, expressing strong support for inclusive development and early childhood care.
This meeting marked a significant step toward strengthening partnerships with local leadership and building community awareness around disability inclusion.

NEW REHABILITATION CENTER INAUGURATED IN PADERU, ASR DISTRICT

A proud milestone for The Ability People (TAP)! On May 31st, 2025, a new Rehabilitation Center was officially inaugurated in Paderu, ASR District, by the honorable District Collector.

The event marked the expansion of TAP's mission to deliver inclusive and community-based rehabilitation services in remote and tribal regions. The inaugural ceremony was graced by local leaders, healthcare professionals, and IREP teachers, with a brief orientation program introducing the services and goals of the new center.

The facility will offer:

- Physiotherapy and Orthotic services
- Early intervention programs
- Assistive device support
- Community-based rehabilitation counseling

Team Reflection on Tirupati FRM Workshop

Following the impactful Fundraising and Resource Mobilization (FRM) workshop held in Tirupati, the TAP team organized a staff-level discussion session to share key takeaways and align on future actions.

The informal meeting included highlights from the 3-day workshop, including:

- Best practices in donor engagement
- Importance of scheme development
- Effective strategies for concept note preparation and proposal writing

Led by senior team members, the discussion emphasized how TAP can adapt and apply these learnings to improve fundraising efforts and sustain program growth.

This open exchange fostered better understanding among staff and ensured that insights from the training are translated into day-to-day practice within the organization.

Upcoming Programs

Upcoming Programmes & Initiatives – June 2025

The Ability People (TAP)
Dear Team / Partners,
