SUMMER CAMP AT OUR PADERU GGH SUB-BRANCH – 13TH JUNE 2025

We successfully organized a one-day Summer Camp on June 13, 2025, at The Ability People's sub-centre located within the Government General Hospital (GGH), Paderu. Our team curated a day full of fun and engaging activities, including therapy sessions, Awareness camp and an arts & crafts bonanza, all aimed at bringing smiles and joy to the children.

The camp was graced by esteemed dignitaries, Smt. Dr. P. Viswamithra Garu (GGH SUP, ADME), and Smt. Kabitha Garu (AD, DWST). Their presence and words of encouragement for the children, along with their appreciation for our team's efforts, truly motivated us.

This Summer Camp stands as a testament to our organization's ongoing commitment to creating inclusive, supportive, and joyful experiences for children, especially those with disabilities.

Our Senior P&O, Mr. Tapa Kumar Mishra, conducted a field assessment in Paderu to evaluate ongoing services and ensure quality support for persons with disabilities. His visit focused on understanding local needs and strengthening service delivery in the region.

The Ability People team met the new Superintendent of Visakhapatnam, Dr. I. Vani, and congratulated her on behalf of our TAP team on 11th June 2025.

Our team recently met with GAIL officer L.S. Rao to hand over the final report confirming the successful completion of our project. It was also an important moment for us to personally convey our appreciation for his guidance and assistance.

OUR TEAM ATTENDED FIVE-DAY APD TRAINING IN BANGALORE

As part of their professional development, J. Charitha (Junior Physiotherapist), Swapna (Senior Front Office & Admin), and Vamsi (Program Manager) attended a three-day training program conducted by the Association of People with Disability (APD) in Bangalore. The training provided valuable knowledge and practical skills that will help strengthen our services and programs.

MEETING WITH DRM FOR COLLABORATION WITH RAILWAY HOSPITAL

Our team had a meeting with the Divisional Railway Manager (DRM) to explore opportunities for collaboration with the Railway Hospital. The discussion focused on providing our services to support patients and promote inclusive healthcare initiatives.

Congratulations to Our Founder

We are delighted to share that Rtn. Dileep Kumar Patro, Founder of The Ability People, received the Rotary District 3020 Award for his outstanding service and commitment to community welfare at the District Awards Ceremony held on 29th June 2025 in Rajahmundry.

OUR TEAM ATTENDED THREE-DAY APD TRAINING IN BANGALORE

As part of their professional development, J. Charitha (Junior Physiotherapist), Swapna (Senior Front Office & Admin), and Vamsi (Program Manager) attended a three-day training program conducted by the Association of People with Disability (APD) in Bangalore. The training provided valuable knowledge and practical skills that will help strengthen our services and programs.

EMPOWERING MOBILITY WITH ADVANCED TECHNOLOGY

Our clinic's cutting-edge unweighing machine is revolutionizing rehabilitation for disabled patients. By offering adjustable body-weight support, this innovative system creates a safe environment for gait training, helping patients build strength, coordination, and confidence. Tailored for those recovering from neurological, orthopedic, or post-surgical challenges, it supports personalized therapy to promote independence. We're proud to include this advanced tool in our comprehensive rehabilitation program, empowering patients to take meaningful steps toward a brighter future.
