At the Ability Rehabilitation Center, we continued our structured rehabilitation program for in-patients with Spinal Cord Injuries (SCI).

The program includes:

- Aerobic music therapy
- Wheelchair training
- Daily functional skill-building sessions

This month, we welcomed a new in-patient, Kishore, who has actively begun his rehabilitation journey through these focused training sessions.

Bedsore Care for In-Patients

At the Ability Rehabilitation Center, we provide bedsore treatment for in-patients, along with guidance on preventive care. Patients and caregivers are educated on key precautions like regular repositioning, skin care, and nutrition to prevent recurrence and support faster healing.

District Collector Highlights Development Initiatives at UNICEF Workshop

Sri A. Dinesh, IAS, District Collector of Alluri Sitharama Raju (ASR) district, participated in a high-level UNICEF Workshop held on 31 July 2025 at Radisson, Hyderabad.

The workshop brought together key stakeholders including UNICEF, NITI Aayog, PSU CSR donors, and leading NGOs to discuss and collaborate on innovative strategies for accelerating development in Aspirational Districts.

During his presentation, the District Collector showcased ASR district's progress, priority areas, and future plans in sectors such as health, nutrition, education, livelihoods, and infrastructure. He emphasized the importance of multi-stakeholder partnerships and the role of CSR and NGO interventions in driving sustainable impact.

The event served as a platform to mobilize resources, share best practices, and strengthen collaborative action for the holistic development of the ASR district in Andhra Pradesh.

On July 22, 2025, The Ability People was invited by the railway authority of Visakhapatnam to conduct an accessibility audit of the existing infrastructure at the Waltair Railway Station. We have submitted our suggestions and recommendations for necessary modifications to the engineering and civil departments of the Divisional Railway Office, Visakhapatnam.
