NGO Forum for Capacity Building

On 28th August 2025, The Ability People took part in the NGO Forum for Capacity Building held at the Public Library, Dwaraka Nagar. The event brought together several organisations working in development and rehabilitation. Our team presented an overview of TAP's key programmes supporting persons with disabilities, including spinal cord injury survivors and children with disabilities. The session provided an excellent platform for learning, networking, and exploring future collaborations.

Visit by IHIF Founder

The founder of the Indian Head Injury Foundation (IHIF) visited the ARC Centre, where our team showcased all the services we provide to persons with disabilities. The visit highlighted our ongoing efforts in rehabilitation and inclusive support, and we were grateful for IHIF's encouragement and support towards our initiatives.

In this newsletter you can expect:

- Monthly Impact Highlights from The Ability People team
- Field Visits
- Visits and interactions
- Capacity-building initiatives
- Celebrations and events
- Programmes

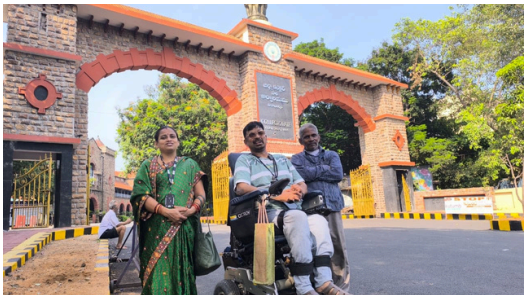

DMHO Visit to ARC Centre

The DMHO of Paderu visited the ARC Centre, where our team presented the range of services we provide for persons with disabilities. During the visit, we also planned a training session for ANMs and ASHA workers. This training aims to equip frontline health workers with the skills to recognize disabilities at early stages, ensuring timely referrals and better care for affected individuals. The visit reinforced collaboration between government health officials and The Ability People to enhance inclusive healthcare in tribal and rural communities.as directed by the District Collector.

Interaction with IT Professional

M. Rajesh, CEO of a software company, visited our centre and interacted with our team to discuss future programs and collaborations. He provided insights on digitally strengthening The Ability People, including improving our data management, online outreach, and program tracking. The discussion emphasized how technology can enhance our operations, make services more accessible, and help us better serve persons with disabilities in our communities.

Visit to Collector Office, Visakhapatnam

Our team visited the Collector Office in Visakhapatnam to present the social security schemes we provide through camps conducted in special schools. During the meeting, we highlighted our initiatives supporting children and persons with disabilities and requested permission to extend these camps to other government high schools. The team was also invited to participate in the SCI Rally on 5th September, further strengthening collaboration with government authorities and promoting disability awareness in the community.

IOCL CSR Team Visit

The IOCL CSR team visited our centre to understand the needs of The Ability People. Our team shared the organisation's ongoing initiatives and future requirements. The CSR team expressed their willingness to support our work and requested a detailed proposal to explore collaboration and assistance for our programmes.

Interaction with Revenue Officer

Our team interacted with the Revenue Office and invited officials to visit our centre to see the range of services we provide to persons with disabilities. The visit aims to strengthen collaboration and increase awareness of our rehabilitation and community support initiatives.

Independence Day Celebration

On 15th August 2025, The Ability People celebrated Independence Day with great enthusiasm. The event was graced by Dr. Kabitha Ma'am, Assistant Director of Disability Welfare, along with members of the Rotary Club. The celebration included cultural programs, awareness activities, and highlighted our ongoing efforts in supporting persons with disabilities.

Vinayaka Chaturthi Celebration

The Ability People celebrated Vinayaka Chaturthi with all the inpatients at our centre, creating a homely and joyful atmosphere. The celebration included prayers, decorations, and shared moments of happiness, helping the beneficiaries feel included and connected while away from home.

Assessment Visit to RCD Hospital

Our team visited RCD Hospital to conduct assessments for inpatient children, aiming to evaluate their rehabilitation needs and plan appropriate interventions. This visit helps ensure that every child receives timely and tailored support for their recovery and development.

Assessment Camp at Padmanabham

On 26th August 2025, The Ability People conducted a rehabilitation camp at the MPDO Office, Padmanabham, where 70 beneficiaries were assessed for their rehabilitation needs. The camp aimed to provide early identification, guidance, and support to persons with disabilities, ensuring timely access to necessary services and interventions.

Assessment Camp at Gajuwaka

On 7th August 2025, The Ability People conducted an assessment camp at Gajuwaka, where 50 beneficiaries were registered for social security schemes and 10 assistive devices were assessed. The camp aimed to provide essential support and rehabilitation services, ensuring timely access to resources for persons with disabilities.
