Assistive Device Distribution at Padmanabham

The Ability People successfully distributed assistive devices to all identified beneficiaries of Padmanabham at a special event held at the MPDO Office. The distribution was graced by Mr. Ganta Ravi Teja, who handed over the devices to the beneficiaries. This initiative aimed to enhance mobility, independence, and quality of life for persons with disabilities in the community, continuing our commitment to inclusive rehabilitation and empowerment.

Mr. Ganta Ravi Teja visited our centre and interacted with the inpatients, while our team shared an overview of the services and support provided. The visit was an encouraging gesture for both staff and beneficiaries.

In this newsletter you can expect:

- Monthly Impact Highlights from The Ability People team
- Field Visits
- Guest visits
- Physiotherapy (PT) Assessments
- Prosthetic & Orthotic (P&O) Services
- Programmes

Visit by Dr. S. Suryaprakash Rao

Dr. S. Suryaprakash Rao, HOD at Gayatri Medical College and Technical Advisor of The Ability People, visited our centre to interact with the team and beneficiaries. The visit provided an opportunity to discuss ongoing rehabilitation programs, assess beneficiary needs, and strengthen technical guidance for our initiatives.

Visit by Mythri Infrastructure & Mining CSR Member

Mr. Ram Narayan, CSR member of Mythri Infrastructure and Mining, visited our centre to review our work. During the visit, our team submitted the monthly report and presented a proposal for effective bed sore treatment, highlighting our initiatives to enhance patient care and rehabilitation outcomes.

Rotary Club of Vizag Elite – Club Assembly

The Rotary Club of Vizag Elite held a Club Assembly to review past activities and plan upcoming initiatives. Our Director participated and presented The Ability People's key projects, highlighting our work in rehabilitation, disability support, and community empowerment, and exploring opportunities for collaboration.

Meeting with DCHS, Anakapalli

As per the instructions of the District Collector, our team met the District Coordinator of Hospital Services (DCHS), Anakapalli, to discuss the opening of a sub-centre at Anakapalli Government Hospital. The proposed sub-centre aims to extend The Ability People's rehabilitation and support services to beneficiaries in the Anakapalli region, improving accessibility and continuity of care.

Spinal Cord Injury (SCI) Day – 5th September

On 5th September 2025, The Ability People actively participated in SCI Day, focusing on raising awareness about spinal cord injuries and promoting rehabilitation and inclusivity. The event featured a demonstration of the Exo Skeleton and Neo Motion devices, showcasing advanced assistive technologies for mobility. Peer counselling sessions were conducted to empower beneficiaries by sharing experiences and building confidence. Additionally, a Road Safety Awareness campaign was held to educate the community on preventing accidents that can lead to spinal injuries. The day concluded with interactive discussions and a rally, highlighting both challenges and achievements of persons living with SCI.

Assessment & Delivery Program – 25th September

On 25th September 2025, The Ability People conducted a comprehensive assessment and delivery program for children at our centre. The day was made fun and engaging with a magic show, bringing smiles to all the children. The program was honoured by the presence of the Transport Commissioner of Visakhapatnam, who addressed the session and personally handed over the deliveries to the beneficiaries.

In addition to the fun activities, an awareness session on Social Security Schemes such as Nirmanaya and UDID was conducted. Our team guided parents and caregivers on how to avail these services, ensuring they are informed about the benefits and support available to children with disabilities. The event successfully combined assessment, celebration, and awareness, making it a meaningful experience for all participants.

Visit by GGH Superintendent – 22nd September

On 22nd September 2025, the new GGH Superintendent visited our subcentre in Paderu to learn about the range of services we provide. During the visit, our team submitted the monthly report and gave a comprehensive brief about The Ability People, highlighting ongoing rehabilitation programs, assistive device support, and community initiatives. The visit strengthened coordination with the hospital and showcased our commitment to providing inclusive services.
