Rotary Club of Vizag Elite Visit to Paderu Sub-Centre

Members of the Rotary Club of Vizag Elite visited our sub-centre at Paderu GGH, where they donated two wheelchairs to the Government General Hospital to support patient mobility. The team also visited Andhra Vanavasi Kalyan Ashram (an RSS Samithi) and discussed possibilities for collabrating in

field-level identification of children with disabilities in tribal and remote areas. The visit helped strengthen community partnerships and build collective efforts toward inclusive rehabilitation and outreach.

In this newsletter you can expect:

- Monthly Impact Highlights from The Ability People team
- Field Visits
- Guest Visits
- Physiotherapy (PT) Assessments
- Prosthetic & Orthotic (P&O) Services
- Programmes

Visit by Dr. P. Subramanyam

Dr. P. Subramanyam, renowned cardiac surgeon, visited our Foot Care Unit and centre to learn about the services and rehabilitation support we provide. The visit helped strengthen medical collaboration and provided valuable insights for enhancing patient care.

Visit by Azim Premji Foundation CSR Member

A CSR representative from the Azim Premji Foundation visited our centre to review the ongoing 2.5-year project and assess its progress and impact. During the visit, our team presented key achievements, challenges, and outcomes of the project. The discussion also focused on future project opportunities and new proposals aimed at strengthening rehabilitation services and community-based initiatives for persons with disabilities.

Meeting with Superintendent, Railway Hospital

The Ability People team met the Superintendent of the Railway Hospital to explore extending rehabilitation services and discuss the guidelines for the Railway Project “Sahayak Booths.” The team also received valuable suggestions to improve implementation and outreach, strengthening collaboration with the railway community.

Visit by TATA CSR Head

The TATA CSR Head visited our centre for three days, during which all ongoing projects were thoroughly reviewed. The team also received guidance on future project planning and support in preparing new proposals, helping strengthen our strategies and expand the impact of The Ability People’s initiatives.

New Foot Care Unit at Our Centre

We are excited to announce the launch of a Foot Care Unit at our centre! A team from Mumbai visited for the installation and demonstration, providing our P&O team with detailed training on its use and benefits. The unit will play a vital role in preventing and managing foot-related complications, especially for persons with disabilities and mobility challenges, enhancing the quality of rehabilitation services we provide.

PEER COUNSELLING AND BLADDER CARE SUPPORT

Our Director conducted peer counselling sessions for SCI inpatients, sharing guidance, motivation, and support to help them navigate their rehabilitation journey. In addition, the sessions included bladder bowl management training, equipping beneficiaries with essential skills for daily care and promoting independence.

DIWALI CELEBRATION WITH INPATIENTS

The Ability People team celebrated Diwali with our inpatients, sharing sweets and festive joy. Along with the celebrations, the team also discussed safety measures to ensure everyone could enjoy the festival safely and responsibly, promoting a fun and secure environment for all.

లేడీస్ క్లబ్ అసోసియేషన్ మద్దతు

విశాఖపట్నం, ఉదయ జ్యోతి, అక్టోబర్ 27

ఉదయజ్యోతి

Coromandel Ladies Club Association Supports The Ability People

Visakhapatnam: The Coromandel Ladies Club Association extended their support to The Ability People through a kind contribution with refrigerator to the centre.

The event was graced by Smt. Durgavathi garu, President of the Association, as Chief Guest, in the presence of Mr. Dilip Patro, Director of The Ability People, along with other club members.

The Association appreciated the organisation's work and assured their support for future collaborative projects.

APF PROGRAM REVIEW VISIT

Ms. Rashmi Sharon from the Azim Premji Foundation (APF) visited our centre for a programme review. During the visit, our team presented the progress of ongoing activities and explained the range of rehabilitation and support services offered at the centre. The interaction provided valuable feedback and guidance to further strengthen programme implementation.

TEAM ATTENDS SPINAL CORD INJURY TRAINING AT APD, BANGALORE

The Ability People team celebrated Diwali with our inpatients, sharing sweets and festive joy. Along with the celebrations, the team also discussed safety measures to ensure everyone could enjoy the festival safely and responsibly, promoting a fun and secure environment for all.
