State Road Safety Council Meeting

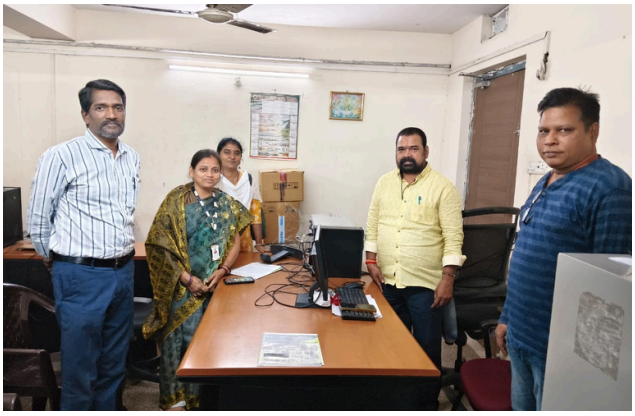

Our Director, Shri Dilip Patro, participated in the State Road Safety Council meeting chaired by the Hon'ble Chief Minister in Amaravati. TAP presented its objectives on strengthening post-crash care through specialised rehabilitation services, a structured referral linkage system, and capacity-building for frontline teams.

The Hon'ble Chief Minister also directed a third-party audit on road accidents to ensure accurate data, better planning, and stronger safety enforcement across the state. During the discussions, our Director highlighted the importance of the Good Samaritan Law and emphasized the need for wider public awareness so bystanders feel confident to help accident victims without fear.

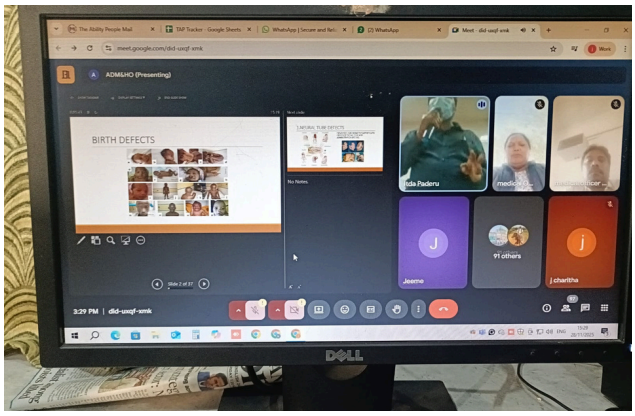

In this newsletter you can expect:

- Monthly Impact Highlights from The Ability People team
- Road Safety Meeting
- Guest Visits
- Training Programs
- Prosthetic & Orthotic (P&O) Services
- Sub Centre

Meeting with MEPMA – HOPE Program Collaboration

Our team met the MEPMA Project Head and formally submitted our proposal to partner under the HOPE Program. The HOPE initiative, launched by MEPMA, focuses on empowering Persons with Disabilities by addressing poverty, improving livelihoods, and enhancing overall quality of life through structured support systems within the MEPMA framework.

Training Program by ITDA – ASR

As per the instructions of the District Collector, ITDA–ASR District organised a district-wide training program for MLHPs, ASHA workers, and Anganwadi staff. Our team facilitated the sessions, training frontline workers to identify children with developmental delays at an early age, recognise severe cases needing assistive devices, and guide them on the referral process to GGH for further assessment and intervention.

Amputee Assessment & Device Delivery Camp

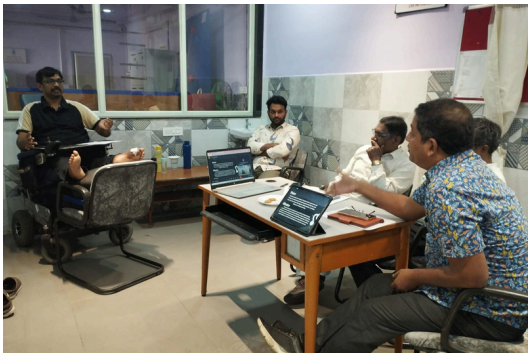

We conducted an Amputee Assessment and Delivery Camp with the support of a skilled P&O specialist. Four individuals were successfully enabled to walk with appropriate prosthetic support, and several others received the necessary assistive devices to improve their mobility and independence.

Graduation Meet – Niranthara Sahayak, Andhra Pradesh

The Graduation Ceremony was graced by Shri Bodda Srinivasa Rao, IAS, State Project Director, Samagra Shiksha, who attended as the Chief Guest and congratulated all NGOs for completing the Niranthara Sahayak capacity-building program. During the event, our Director received the certificate, marking TAP's commitment to strong governance, transparency, and improved service delivery.

TAP BOARD MEETING – 22 NOVEMBER

The Ability People convened its Board Meeting on 22nd November, bringing together all members to review progress and set strategic priorities for the coming year. A major focus of the discussion was the need to strengthen and expand services for Spinal Cord Injury (SCI) survivors, recognising the rising number of cases and the critical gap in long-term rehabilitation support.

PARTICIPATION IN STATE-LEVEL IDPD PRE-PROGRAM DISCUSSION

Our team actively participated in the IDPD pre-program planning meeting conducted by the State Government and led by the Assistant Director of Disabled Welfare. The discussion covered cultural activities, awareness stalls, and coordination for ensuring an inclusive and impactful State-level IDPD celebration.

VISIT FROM MINISTRY OF DISABILITY WELFARE – SUBCENTRE

A representative from the Ministry of Disability Welfare visited our Subcentre as part of the district-level review of disability welfare initiatives. During the visit, several assistive devices were formally handed over to beneficiaries, ensuring timely support for those in need.

In addition, our team conducted community visits, delivering assistive devices directly to households and assessing further needs at the grassroots level. We also presented an overview of our organisation's work and impact, highlighting our commitment to accessible and inclusive rehabilitation services.
